Information on Import Fees on Shipments into Canada from International Origins

Duties and Taxes

- The Importer of Record is responsible for paying duties and taxes unless otherwise specified at the time of shipment preparation.
- Duties and taxes are determined and applied by the country in which the goods arrive.
- All shipments being imported are subject to inspection by the CBSA or partner government agencies.
- If you are importing goods into Canada from the U.S. or Mexico, ask your supplier to provide the applicable CUSMA Certificate of Origin so the goods will be rated at the lowest possible rate allowed under CUSMA Rules of Origin (if applicable).
- UPS Customs Brokerage can still handle your imports without a UPS Importer Account Number, but all amounts owing on the import (freight charges, duties and taxes,

customs brokerage fees – as applicable) must be paid online prior to delivery* or will be payable C.O.D. when UPS® delivers the imported shipment to your door. In addition, you will be charged an additional I.C.O.D. Fee for collecting these import charges upon delivery.

With a UPS Importer Account, all your import charges will be billed directly to your account and no I.C.O.D. Fee will apply.

Customs Brokerage Services

- Customs brokers are licensed by the CBSA in customs clearance procedures and are employed to act on the importer's behalf.
- In Canada, the Importer of Record must officially designate a customs broker by signing a General Agency Agreement, giving their customs broker Power of Attorney to act on their behalf. UPS must be selected as the designated customs broker for our guaranteed service to be applicable.

Customs Brokerage Fees

The customs brokerage fees that may apply to a shipment fall into three main categories:

Entry Preparation Fees

This process involves checking the

commercial invoice submitted with the goods and completing entry preparation procedures required by the CBSA, including calculation of the applicable duties and taxes for each type of commodity included in the shipment. A fee may apply for this service.

Disbursement Fees

Customers are responsible for payment of any applicable duties and taxes on their import shipments. When UPS remits payment of duty/tax to the Canada Border Services Agency on behalf of the customer, UPS will invoice the customer for the amount paid and a Disbursement Fee will apply. The applicable Disbursement Fee is the greater of 2.7% of the duty/tax amount

or \$6 on UPS Standard service or \$10 on UPS Worldwide Express Plus, UPS Worldwide Express, UPS Worldwide Express Freight, Worldwide Express Freight Midday, UPS Worldwide Express Saver and UPS Worldwide Expedited service. To avoid Disbursement Fees, call 1-800-PICK-UPS® and ask about our Prepayment or Electronic Funds Transfer (EFT) plans.

Additional Fees

Depending on the shipment and the services required by the customer, various other customs brokerage services and fees may apply. See the Customs Brokerage for the Importer section on [page 115](#) or call 1-800-PICK-UPS® for details.

Customs Ancillary Services

- UPS Customs Brokerage offers a number of valuable services for the compliance-conscious importer.
- Contact your UPS Account Executive or call 1-888-520-9090 for more information on the following services:

Duty and Tax Recovery Services

- Duty and Tax Amendment: UPS can file an amendment with the CBSA to correct inaccurate customs-related information on your entry documents. A fee applies for this service.
- Low-Value Shipment Amendment: UPS can correct any customs-related

information on your entry documents for shipments valued at less than \$3,300. The error must be identified on or before the 10th of the month following the import date. If the error is identified after the 10th of the following month, a Duty and Tax Amendment must be completed. A fee applies for this service.

*Access to the UPS Import Fee payment is available to importers enrolled in UPS My Choice® or through UPS tracking on [ups.com](#). Importers may also receive an automatic notification with a link to the payment website.
